New Business: Rose Mangino inquired about the minutes being word for word.

Mayor Scalise said the minutes are an accurate synopsis of the meeting from the City Clerk.

Rose Mangino mentioned the transcript that was handed out to the Council at the June meeting of what she had said previously at the April meeting. She commented about it being very demeaning with the way it was typed.

Chief Reesor briefly explained transcripts saying a transcript is typed as it is spoken.

Rose Mangino said she doesn't think it should have been typed that way. She said it should be typed the way it's spoken with the English you would expect to see, and she went on to add that she really wants to make a motion not to do that again.

Mayor Scalise said the minutes are not transcripts, and he said that shouldn't be a problem with the minutes.

Gary Vogel said he did not think he or anyone else was trying to demean her.

Rose Mangino commented about being in her shoes, and she said she thought it was horrible.

Al Huber inquired about placing “walker” signs along Cardinal where you cannot see pedestrians on the hill.

Mayor's Report: Mayor Scalise mentioned receiving the Kentucky League of Cities Loss Control Score Card. He said it pertains to liabilities and ratios along with recommendations. He commented about the City receiving a 100% on the score card with no changes recommended. He said with this, it gives the City a lower insurance premium to have to pay. Mayor Scalise complimented Chief Reesor on his hard work in obtaining this achievement.

Gary Vogel and Al Huber along with Cindy Habeeb applauded the Chief as well.

Al Huber made motion to adjourn the meeting. Cindy Habeeb seconded, and the meeting was adjourned.
