Significant Activity in Audubon Park

1921000052 Theft from vehicle.

1921000053 Unemployment Fraud (Theft of ID)

October was a month with only two offense reports taken. There was a theft from a vehicle report that was taken on October 3rd and a Theft of Identity report which involved unemployment fraud over a period of 6 months taken on October 5th. After that date, there were no other reported crimes for October in the City of Audubon Park. Residents undoubtedly noticed out beefed up Halloween patrols. We had officers out in marked and unmarked vehicles and Sgts. Heaps and Barto delighted children and adults alike as they patrolled the streets as Judge Dredd on the T-3's. A special thanks to both of them for their continued dedication and hard work in developing ideas, building costumes and creating an opportunity for a very special interaction between the residents and the police department.
