Significant Activity in Audubon Park

October was a glorious month in Audubon Park. We had absolutely no crimes to report that took place in Audubon Park during the month of October. Our Officers had so much fun interacting with the residents at the Auktoberfest and during our Halloween Trick or Treat. The community has had such a positive reaction to our new vehicle and graphics. We had them dancing in the streets to the Ghostbusters theme and a great and safe time was had by all.

We are still working on improving our visibility in the community. One of our previously unmarked Explorers has been outfitted with the new graphics package. It looks fantastic and we will gradually change our other existing vehicles to the new graphics as budget allows. It is a fresh look and unlike any other department in our area. It shows that we are proud to be a part of Audubon Park and truly appreciate the support of the Mayor, the Council and the residents.
