House Watches	322 (12 Residences)
Arrests	0

Audubon Park Police Department

Significant Activity in Audubon Park

December was an active month in Audubon Park. We started the month with a non-criminal death report. A resident died from natural causes. On December 8th officers responded to the area of 3308 Robin Road on a report of a vehicle that struck a tree. This was a single vehicle collision that resulted in the death of the driver. The cause of the collision and the death are still pending the results from the medical examiner's office. On December 11th, we recovered a weapon that appeared to have been tossed onto the side of the road. The weapon has been submitted to Nibins for testing. On December 14th, there was a report of domestic violence. This was a verbal altercation and the involved parties stated that there was no physical violence. The verbal altercation was so heated that a report was made and an officer stood by while the male party packed his belongings and left the residence.

It should be noted that throughout the Holiday season in December, we did not have a single report of theft from a vehicle, we had no thefts of packages and we had no burglaries. You can thank the men and women who are out here every day and night patrolling the area to keep the city safe. They are the ones who are responsible for this good news and Audubon Park is fortunate to have such an amazing group of professional officers and the residents would not enjoy the current quality of life without them.
