Significant Activity in Audubon Park

3/14/2022 **1922000017** Theft of Motor Scooter from apartment covered parking

3/24/2022 **1922000021** Burglary 3rd – residence is vacant and involved in ongoing family dispute.

March was fairly quiet in Audubon Park with the exception of many storms that moved through the area. We had one theft of a motor scooter that was parked in a covered area in an apartment parking lot. The scooter has not been recovered to date. There was also a burglary of a residence that has been vacant for a few months. An ongoing family dispute is involved in the incident.

I am very excited about Cheri Bower joining the department in the role of Assistant Chief. You will all quickly learn that Cheri is going to be a great asset to the department and to the community. We plan to make positive changes within the department and to become the model that all small agencies strive to emulate. I appreciate the continued support of the Mayor and Council as we continue to move through the transition.
