Significant Activity in Audubon Park

4/16/2022 **1922000026** Hit and run of parked vehicle during Dogwood Festival.

4/22/2022 **1922000027** Criminal Mischief to vehicle caused by landscape service working across the street.

4/23/2022 **1922000029** Burglary 3rd – residence is vacant and involved in ongoing family dispute. Second Burglary report made at this address.

April was another quiet month in Audubon. There was a report of Criminal Mischief done to a parked vehicle in a driveway. There was also a burglary of a residence that has been vacant. An ongoing family dispute is involved in the incident and it is the second Burglary report taken at this location. The only other crime reported in Audubon Park was a hit and run collision. A parked vehicle was sideswiped during the Dogwood Festival and received minor damage.

During the month of April, we were so happy to be able to work the Dogwood Festival. Our officers love the opportunity to mingle with the residents in a more relaxed setting and to help provide a safe environment for everyone. We are already looking forward to Auktoberfest.

We completed our semi-annual firearms and less lethal qualifications as required to maintain our agency accreditation. Our Firearms instructors, Sgt. Chris Heaps, Sgt. Scott Barto, Off. Todd Mottley, Off. George Rodman, Off. Eddie Napier and Off. Mike Minniear did a fantastic job developing the courses. Six may seem like a lot of instructors, but they are needed to rotate all of the officers through the skills sections quickly while maintaining safety standards on the range and in the classroom. Great job guys! You are appreciated!
