## Significant Activity in Audubon Park

May was an awesome month in Audubon Park. We had absolutely no offense reports for the month. Not very many departments can say that. We feel very fortunate and hope that streak continues through the summer.

We have put reminders in the newsletter about school being out for the Summer. We will continue to add tips and reminders to help keep our children and other residents safe. We really love interacting with young, old and in-between residents as they are out enjoying the beauty and nature in Audubon Park.

I would like to end my report with saying thank you again to Mayor Williams and Former Chief Mike Minniear for nominating me to walk in the Oaks Survivor's Parade. I would also like to thank the Council and residents for their support in making sure that I was able to be selected to make the walk. As a thirteen year survivor of breast cancer, I am very blessed to not only have my health, but to work in a community that is so caring. The event was very emotional and extremely uplifting. I sincerely thank everyone for their role in making it happen.

Colonel Teddy Laun

Chief of Police
