Audubon Park Police Department

Significant Activity in Audubon Park

July was a continuation of our string of no crime in Audubon Park. This is the third month in a row with absolutely no offense reports. During the Summer months, this is unheard of in Jefferson County. I give the credit for that to our officers who continue to work hard to keep Audubon Park a safe place to live. Officer Mike Murdoch checked on a vehicle that seemed to be out of place in the 3100 block of Eagle Pass at 2 am. The registration plate on the vehicle had been canceled by the Department of Transportation. When making contact with the driver, Officer Murdoch found him to have an outstanding felony warrant for Flagrant Non-Support and he was placed under arrest without incident. Officer Murdoch's proactive approach to policing is part of why criminals choose to do their business elsewhere.

Our officers had a lot of fun assisting with the Independence Day Parade. It is always appreciated that we have the cooperation of the former Camp Taylor (formerly Buechel and now Fern Creek) fire department and the Louisville Metro Mounted Patrol. The fire trucks and horses are always a huge hit with kids of all ages. We are already working on plans to make the parade and organized fireworks safer and more enjoyable events next year. Traffic details have increased and residents will be seeing even more flashing blue lights as the school year begins. The main goal of the police department is to find ways to improve the safety and quality of life for the community that we serve. We welcome ideas and discussions from council members and residents to help us as we strive to better serve the City of Audubon Park.
