## Significant Activity in Audubon Park

September was a great month in Audubon Park. There were no reported crimes for the entire month. Parking enforcement has been stepped up and the new online payment system for parking citations is helping the City of Audubon Park collect the fines. The first letters were sent out to vehicle owners who have multiple unpaid fines. The letter notified owners about the outstanding citations and the consequences for non-payment. Most of the owners who received letters have paid their fines.

Our first Chili and Cornbread Cook-off was a team effort and it was a big success. We are really thankful for everyone's effort on setting things up, decorating and coordinating the event. Mayor Bozeman put in so much hard work to help make the night a success. Another thank you is due to all of the Council Members who came out to help and support us and a HUGE thank you to Frank's Meat and Produce for donating chili for our event. At the start of the cook-off, we received a special presentation from Axson, a Make a Wish child. We had the honor of watching as Mayor Bozeman swore him in as an Honorary Chief of Police. Officer Tommy Davis then took our Honorary Chief on a driving tour of Audubon Park so he could inspect his city. It was a wonderful night and we were so thrilled with the large turn-out from the community. Thanks again to all who had a hand in this fun community event.

On a final note, we had to say some sad goodbyes to Major Cheri Bower. Cheri joined us in April of 2022 to take on the role of Assistant Chief. Cheri was an amazing asset to the department and is the epitome of dedication and service to others in her 22 year Law Enforcement career. She is looking forward to having more quality time with her family and living life in the slow lane. Her last day was Oct 12, 2023. Cheri is going to be missed very much.
