

**Parks and Recreation Board Report
10/07/19**

September 28th was a very busy day in AP.

The tag sale went extremely well and attracted a lot of people to Audubon Park. For future tag sales we need to help get buyers on the side streets. Also, we will need to give residents more of a heads up about traffic pattern changes.

Auktoberfest was a success given the amount of people it attracted. Financially we are close to breaking even and are still waiting on 2 vendors. The financial report is below. We need to figure out how to attract more people to volunteer at future AP events.

The P&R board would like to expand the amount of board positions to 9 so we can have more people to help at events, plan future activities in the park and oversee the execution of different ongoing projects.

P&R is looking to bring back the holiday decorating competition in the month of December. We are planning on talking logistics at our November meeting to get things rolling.

The next board meeting is on Monday, November 4th at 7pm. All are welcome to attend.
