

Parks and Recreation Board Report
7/08/19

Parks and Recreation has a few days plan in the next coming month.

We are officially moving forward with purchasing a PA system that can be used at various events (movie in the park, Auktoberfest, etc.)

Due to extreme precipitation and heat we decided on not having a June movie night. We are planning our first movie night on August 2nd and plan on screening either Jungle Book (original, animated) or How to Train your Dragon. It will depend on the right schedule.

We chatted about the park improvements and plan on moving forward and getting pricing for the improvements.

We also talked about doing the yard sale for AP on August 10th, barring any issues from the city with that day or the idea of suspending/opening a city wide yard sale permit.

We also started looking at days for Auktoberfest and it is looking like September 28th is the best option, with both major football teams not having home events that weekend. We are trying to avoid having cold weather like we did last year.

The next board meeting is on Monday, August 5th at 7pm. All are welcome to attend.
