

POLICE DEPARTMENT SIGNIFICANT ACTIVITIES REPORT

October 2020

Audubon Park had two reported crimes during October. Here is a brief synopsis of the police forces activity for October:

Reported Crime: One Burglary 3rd and One Theft of Power Washer: Three very nice bicycles were stolen from an unlocked garage. Mike Murdoch made an arrest and cleared this crime. This crime would not have been solved without the help of residents of Audubon Park calling the police and advising of suspicious person and vehicle at the address the arrest was made at. Our Late Watch Officer found a subject walking down the street with a power washer. A report was taken, and the power washer was recovered. During a traffic stop a subject was arrested for Escape 1st Degree, Bail Jumping 1st Degree, Felony Non-Support, and numerous traffic violation warrants.

Parking Citations: Four Parking Tickets were written for "Overnight Parking on Street." One warning ticket was written for a parking violation.

Suspicious Persons: We stopped Four non-residents of Audubon Park.
