On 8/25/2021, we had a site visit with the Accreditation Manager of the Kentucky Association of Chiefs of Police. Our policies and standards have been examined and our equipment inspected. We passed all standards and received the renewal of our KACP Accreditation. This was an arduous task that consumed many hours and the men and women of the department put in a lot of hard work to ensure that we were successful. I am appreciative of the effort of all our officers and for the assistance that was given by Mayor Tony Williams and Chief Mike Minniear. My sincere thanks to everyone who worked so hard and helped us obtain this prestigious certificate of accreditation.

Major Teddy Laun

Assistant Chief of Police
