This month's shout out is to Detective Tim Snook. There has been an ongoing situation in Audubon Park that has required the involvement of multiple state and local resources. Detective Snook has worked diligently with these other agencies to make sure that there was progress on this case. Due to his hard work, there has been considerable movement toward a beneficial resolution. Thank you, Detective Snook, for your tenacity and genuine caring for the residents of the community. You are appreciated.

I am excited about my new role as the Chief of Police and I am looking forward to the challenges to come. My goals as Chief include improving the professional image of the department, maintaining the wonderful relationship that our officers have with residents, and seeking updated equipment to help keep our officers and the community safe. Mike Minniear has been a huge asset to the department and the City of Audubon Park. I have learned a great deal under his leadership and plan to build on that. Mike will be remaining with the department to assist with the transition. I am truly grateful for his continued support and friendship. I am sure that you will all wish him well with his new endeavors.

Colonel Teddy Laun
