Significant Activity in Audubon Park

1921000067 Missing Juvenile – Juvenile located (runaway)

1921000069 Theft from Vehicle – Vehicle unlocked in driveway with large amount of valuables visible.

1921000071 Theft of Vehicle – Vehicle parked on street unlocked with keys in vehicle. (Vehicle not recovered as of 1/12/2022).

Violent crime and property crime rates continued to rise in the Metro area surrounding Audubon Park in the month of December. Our crime rates also increased during the December Holidays. Two thefts occurred in December in Audubon Park. One was a theft of items from a vehicle parked in a driveway and the other was a theft of a vehicle parked on the roadway. Both vehicles were unlocked at the time of the thefts. The vehicle that was stolen also had the keys inside the vehicle.

We have had multiple reports of groups of juveniles checking door handles on vehicles and entering those that they find unlocked. Many residents have seen these crews in action on video and know how quickly these thefts can occur. Our officers are working in conjunction with LMPD 6th division to stop this activity in our area. As always, we urge residents to be very vigilant about locking their cars and not leaving valuables, weapons, medication or spare keys inside their vehicles.
