Significant Activity in Audubon Park

October was a beautiful month in Audubon Park. Officers responded to two domestic violence incidents. Only one of them required a report due to physical violence. Unfortunately, we had another vehicle stolen from a driveway. Like the others, the vehicle was unlocked and the keys were left on top of the vehicle. That vehicle was recovered the following day and returned to the owner. The vehicle that was reported stolen in September was recovered last week. That vehicle was driven to University Hospital where it struck the building. The vehicle was riddled with bullet holes and one occupant of the vehicle had been shot. When the vehicle was recovered, the keys were present inside the vehicle.

Trick or Treating was a success in Audubon Park. We had no reported collisions, injuries or missing children. Our officers always do a great job with being visible and making positive contacts with all of the children that visit our community. Thanks to Sgt. Scott Barto and Officers Austin Boone, Tommy Davis and Cathy Ferguson for making sure that everyone got to enjoy a safe event.
