

Parks and Recreation Board Report
3/4/19

Parks and Recreation has stayed quite busy in planning the event formerly known as Lightup Audubon, which will now be known as The Dogwood Festival. The Dogwood Festival will be held on Saturday, April 27. We have secured a 4 band line up along with food trucks for the event.

We are now starting our marketing push for the event. Flyers are to be sent out next week and a facebook event is being created to help spread the word digitally. Volunteer sign-up opportunities will be posted online as well

The P&R board has initial designs for the new shirts/merch for AP. We are going to do a pre-order list so we know what colors to order and how many to order.

Finally, the board is working closely with the Mayor's office to explore installation of some permanent recreational activity accessories in parks throughout the neighborhood. More to come there shortly.

The next board meeting is on Monday, April 1 at 7pm. All are welcome to attend.
