

CITY OF AUDUBON PARK OVERLAY PERMIT

The bearer is certified to have complied with City overlay district regulations when undertaking ordinary repairs that involve no change in character or use of a building, including interior painting or wallpapering, plastering, drywall, insulation, flooring and furnishing; and exterior painting, maintenance or replacement in kind (i.e. style and materials) of nonstructural roofing, siding, windows, shutters and doors occasioned by damage or deterioration.

This is an overlay permit, and not a substitute for such other electrical, mechanical or structural permits for work proposed as may be required by the City of Audubon Park, metropolitan Louisville, or other proper authority.
